Who is Ice Shaker?

Founded by former NFL Hall of Famer, Chris Dzemrowski, Ice Shaker was developed with one goal in mind: to help people live an active & healthy lifestyle by providing them with the ultimate drinking vessels for their nutrition and hydration needs. Having appeared on ABC's Shark Tank and receiving offers from all five sharks, Ice Shaker ultimately inked a deal with Mark Cuban and Alex Rodriguez. Since that time, Ice Shaker has taken the insulated-drinkware industry by storm, establishing itself as a major player in the sector with a reputation for quality, style, innovation, and customer experience.
