Composable Canvas

Every capability connects. Every decision is data-informed. Every location is unified.

200+ locations. One platform. Zero silos.

THE GOLD'S GYM COMPOSABLE CANVAS

5 Rings of Capability | One Unified Platform

DATA CORE

Member profiles, transaction history, franchise operations, content library, AI models, governance rules

SEMANTIC LAYER

"Active member" means the same thing across 200+ locations. Revenue, visits, and KPIs — one definition everywhere.

CONTEXT SERVICES

Member 360 Platform, FranConnect Intelligence, Operational Data

AI DECISIONING

Personalized member journeys, predictive churn, dynamic scheduling, franchise performance optimization

APPS & AGENTS

Member App, Digital Training, POS, Gate Control, Staff Management, Scheduling, Inventory, Rewards

CUSTOM AI AGENTS

What competitors can't buy. Proprietary workflows that encode what makes Gold's Gym

Integration that scales:

Adding a new capability = plugging into the canvas, not rebuilding the plumbing.

O(log n)
